Part One - Prey When a gorgeous stranger rescues her from a vicious wolf attack, nature photographer Amalie Baptista can't seem to fight the attraction to her savior. What she doesn't know is that giving in to him could mean giving up life as she knows it... Part Two - Awakening Jax Mulaney's mate is dead and her killer's trail has gone cold. Eaten up by grief and guilt, it's an effort just to get through the day. Now, after a year in mourning, his animal instincts have reawakened. As he struggles to control the need clawing at him, his pack mate Chandra's dangerous curves and snappy wit put his self-discipline to the test. Part Three - Redemption Wolf shifter Billy MacKenzie has lived by one rule and one rule only: The pack comes first. Always. But when Amber Jansen accidentally sees something she shouldn't have, he feels an unprecedented desire to protect her from the powers that be, who would rather silence her forever than risk being exposed. Part Four - Opposition Times are changing for the Montana wolves, and they're changing far too quickly for Maggie Porter's liking. After a bloody battle with one rival pack and another on the horizon, she wishes things could just go back to the way they used to be. But not until she gets to the bottom of this latest mystery. Who is Greyson West, really, and why did he help her escape the enemy?
