Stuart Little: Non Illustrated Edition without pictures and Winner of Laura Ingalls Wilder Medal in 1970 for Stuart Little (Stuart Little, digital, download, ... Mp3 story book fiction classic anniversary)

E. B. White

The New York Times, wrote, "Mr. White has a tendency to write amusing scenes instead of telling a story. To say that *Stuart Little* is one of the best children's books published this year is very modest praise for a writer of his talent."

Stuart Little is a 1945 children's novel by E. B. White, his first book for children, and is widely recognized as a classic in children's literature. *Stuart Little* was illustrated by the subsequently award-winning artist Garth Williams, also his first work for children. It is a realistic fantasy about a talking mouse, *Stuart Little*, born to human parents in New York City.

Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his family. But when *Stuart's* best friend goes missing, he's determined to leave home and take an epic journey to find his friend.

First we learn of *Stuart's* birth to a family in New York City and how the family adapts, socially and structurally, to having such a small son. He has an adventure in which he gets caught in a window-blind while exercising; *Snowbell*, the family cat, then places *Stuart's* hat and cane outside a rat hole, panicking the family. He was accidentally released by his brother *George*. Then two chapters describe *Stuart's* participation in a model sailboat race in Central Park. A bird named *Margalo* is adopted by the *Little* family, and *Stuart* protects her from *Snowbell*, their malevolent cat. The bird repays his kindness by saving *Stuart* when he is trapped in a garbage can and shipped out for disposal at sea.

Margalo flees when she is warned that one of *Snowbell's* friends intends to eat her, and *Stuart* strikes out to find her. A friendly dentist, who is also the owner of the boat *Stuart* had raced in Central Park, gives him use of a gasoline-powered model car, and *Stuart* departs to see the country. He works for a while as a substitute teacher and comes to the town of *Ames Crossing*, where he meets a girl named *Harriet Ames* who is no taller than he is. They go on one date, and then *Stuart* leaves town. As the book ends, he has not yet found *Margalo*, but feels confident he will do so.
