Millions of years ago something happened that resulted in the creation of Earth, now the final conflict is about to begin, but will they be ready? Tiffanie thought her life was on the right track. She thought everything was going her way. How could it not be? She had a great life, a job, a girlfriend, her own place to live in the Big Apple. She was in contact with her loved ones constantly. Her sister was dating a great guy, her parents lived in Portland Oregon, her grandparents ran their farm in California. Then why did it feel like she was going crazy? Did that shadow move? Was the rock talking to her? Why were her dreams so tormented? Mardak was always watching her, always there. It had been that way for a long time. He was getting old and tired but something was happening to her. This time, maybe, just maybe she would awaken...
