Alice's Adventures in Wonderland with cut-out pictures in colors

A curious and delightful 1917 silhouette Alice in Wonderland from Cupples & Leon, this edition contains Carroll's text, silhouette illustrations, and paper doll cutouts in color. Illustrated by Julia Green & Helen Pettes "After Sir John Tenniel," to modern eyes it certainly appears like an infringement of the original Tenniel images. At the very least, this edition reminds us just how distinctive and eternal Tenniel's character silhouettes are.

A chunky, square-ish book, heavy-duty boards, illustrations on every page (they change for each chapter), released with dustcover.
