To Die For: The Shocking True Story of Serial Killer Dana Sue Gray Kathy Braidhill

Impeccably dressed, meticulously neat, Dana Sue Gray spared no expense on herself. Dropping thousands of dollars on a shopping binge or a luxurious day spa was nothing out of the ordinary for Dana-nor for many wealthy women. But Dana wasn't wealthy-she was an unemployed nurse. She was also a serial murderess, who preyed upon elderly women, violently killed them, then used their credit cards to embark on wild, post-murder spending sprees.

Women serial killers are rare-there are only 36 documented cases-and those, like Dana Sue Gray, who murder so brutally that veteran police officers are shaken by the bloodiness of the crime scene, are even rarer. Now, in an exposé as shocking and fascinating as its subject matter, author Kathy Braidhill explores the stunning story of Dana Sue Gray, one of the most dangerous, deadly, and disturbed women in history.
