## **Torn** A.F. Crowell

Torn between two powerful men who adore her, ER nurse Leila Matthews has found the love of her life...but the road to happily-ever-after is paved with betrayal, secrets, and dead bodies.

## FOREVER

For ER nurse Leila Matthews, life has never been easy. Her father turned his back on their family and her mother died young. Her cop brother's near fatal gunshot wound brought Brody Davis into her life, the handsome CEO who promised her the world but left her pregnant with his child. Enter Jaxon Henderson, the sexy-as-sin VP of the local MC. Friend first, he has become the great love of her life. Tall, handsome, golden, his passion is matched only by his possessive and protective nature. But Jaxon has dark secrets, and his deception tests Leila's love to its core.

Jaxon Henderson knows three things: He loves Leila Matthews more than anything, he's lied to her, and he's sworn to secrecy about the danger and violence that gathers on the horizon. To keep Leila safe, he must tell her all, but full disclosure has a price, and that price may just be everything.
