**Falling in Love Again: (previously published as Divorce for Beginners)** Sophie King

Previously published as Divorce for Beginners, Falling in Love Again is the latest novel from the #1 bestselling author of The School Run.

Sophie King brings us another heart-warming story of likeable characters you'll recognise from everyday life. Lizzie, Alison, Karen and Ed are all coming to terms with life, and love, after marriage. Whatever your own love life is like, you'll find yourself rooting for them to find happiness as you laugh and cry along with all four.

"I always look forward to reading the next Sophie King book." Katie Fforde

"I love curling up with a Sophie King book." Trisha Ashley

As Lizzie juggles running a failing women's magazine with bringing up a young family she ponders on whether you really can "have it all". The answer comes sooner than she expects when her husband's actions turn her world upside down...

Alison should be looking forward to a quieter life with David now that their youngest has flown the nest. But David has other ideas and his increasingly bizarre behaviour leaves Alison wondering if she really knows her husband at all...

Karen has managed to hold her family together since leaving her husband Paul many years before. That makes her the perfect person to start The "How to Survive Divorce" Club, to help others on their own. But as the burden of past secrets unravels, Karen realises she needs help too.

Ed really believes in marriage. So much so that he's done it three times already. But as his work and home life get ever more complicated, will he ever be able to find "The One" ...?

Add in mysterious diary entries, an overbearing sister, a troublesome stepbrother, the surprise return of faces from the past, grown up kids with their own problems, and ageing parents who've discovered the ups (and downs) of internet dating and you have a gripping and entertaining tale of modern life as our foursome struggle with... Falling in Love Again.

Sophie King's novel The School Run was a recent top ten Kindle bestseller and #1 in Amazon's Women Writers and Fiction chart. It was also chosen as one of Chick Lit Central's favourite novels of 2012.
