The classics are rapidly receding from public consciousness, and modern revisions of them, such as the film *O Brother, Where Art Thou*, are in genuine danger of never being linked to their original inspiration. Noted classicist Stanley Lombardo breathes new life into one of the most famous and beloved ancient works with this engaging and vibrant audio performance of carefully selected excerpts of Homer's *Iliad*. This state-of-the-art compact disc recording provides high-quality access to one of the greatest works in world literature.

“The most daring, rapid and colloquial translation of Homer’s *Iliad* that I know. Lombardo’s taut and punchy verse conveys admirably and accurately the excitement and desperation of the battle, the urgency of the commanders, the occasional flashes of humor, the passion of Homer’s narrative and the vivid and subtle humanity of his characters.”--Richard Janko, University College, London
