With an emphasis on public policy and active learning, this popular and highly accessible text introduces the essentials of Texas government and its often colorful politics in a way that any student can understand.

An abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style makes the material accessible to students of *every* level. Showing students the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages students in the course material and encourages them to become active participants in the course and their government. This text is part of the "Pearson Study Edition" series and contains a battery of practice chapter tests for student self study and review.

MyPoliSciLab is an integral part of the Tannahill program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations.
