**Alice in Wonderland Yesterday and Today Coloring Book** Raúl Albert Contreras

"Alice in Wonderland Yesterday and Today" Coloring book is like no other Alice. It takes the adult (this one is not for the kiddies) through the early years of the classic Tenniel illustrations with quotes from the traditional Lewis Carroll Story. Midway it changes into "Alice's Bloody Adventures" based upon the popular book of the same name by author Raúl Alberto Contreras aka Tweedle Guns. This section of the book imagines Alice as she might be today as she chases the killer wabbit through wonderland and into the looking glass. Aside from the popularity of coloring books for adults, this one goes beyond the intricate patterns of mandalas into a really good read.
