**Reviewed by** Jane Brown on behalf of Nursing Times, October 2015

- **Merges theory, research, and practical application** for an innovative approach to nursing leadership and management.
- **Practical, evidence-based approach** to today's key issues includes patient safety, workplace violence, team collaboration, delegation, managing quality and risk, staff education, supervision, and managing costs and budgets.
- **Easy-to-find boxes, a full-color design, and new photos** highlight key information for quick reference and effective study.
- **Research and Literature Perspective boxes** summarize timely articles of interest, helping you apply current research to evidence-based practice.
- **Critical thinking questions in every chapter** challenge you to think critically about chapter concepts and apply them to real-life situations.
- **Chapter Checklists provide a quick review and study guide to the key ideas in each chapter, theory boxes with pertinent theoretical concepts, a glossary of key terms and definitions, and bulleted lists for applying key content to practice.**
- **NEW! Three new chapters** - *Safe Care: The Core of Leading and Managing*, *Leading Change*, and *Thriving for the Future* - emphasize QSEN competencies and patient safety, and provide new information on strategies for leading change and what the future holds for leaders and managers in the nursing profession.
- **UPDATED! Fresh content and updated references** are incorporated into many chapters, including *Leading, Managing and Following*; *Selecting, Developing and Evaluating Staff*; *Strategic Planning, Goal Setting, and Marketing*; *Building Teams Through Communication and Partnerships*; and *Conflict: The Cutting Edge of Change*.
- **Need to Know Now bulleted lists of critical points help you focus on essential research-based information in your transition to the workforce.**
- **Current research examples** in *The Evidence* boxes at the end of each chapter illustrate how to apply research to practice.
- **Revised Challenge and Solutions case scenarios** present real-life leadership and management issues you'll likely face in today's health care environment.
