Meetings, Expositions, Events & Conventions: An Introduction to the Industry (3rd Edition)

George G. Fenich Ph.D.

Meetings, Expositions, Events & Conventions: An Introduction to the Industry (3rd Edition) George G. Fenich Ph.D.

The Meetings, Expositions, Events, and Conventions industry continues to grow and garner increasing attention from the hospitality industry, communities, and college faculty. With a broad view of the industry, ***MEETINGS, EXPOSITIONS, EVENTS & CONVENTIONS, 3/e*** moves beyond just one segment to include all aspects related to the MEEC industry. Developed as a collaborative work, the text features contributions from some of the best and most notable practitioners and educators in the field. (Using the Delphi method, even the text's topics were selected based on industry input.) Now in its third edition, this revision features over 30 new case studies, the latest statistics and a new chapter devoted to green meetings and social responsibility.

From reader reviews:

Stephen Hancock:

What do you with regards to book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question mainly because just their can do that. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need this kind of Meetings, Expositions, Events & Conventions: An Introduction to the Industry (3rd Edition) to read.

Jeremy Richards:

As people who live in the particular modest era should be revise about what going on or info even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Meetings, Expositions, Events & Conventions: An Introduction to the Industry (3rd Edition) is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Nathaniel Thomas:

Playing with family within a park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Meetings, Expositions, Events & Conventions: An Introduction to the Industry (3rd Edition), you can enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

Jerry Lyon:

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from the book. Book is composed or printed or outlined from each source that will filled update of news. On this modern era like today, many ways to get information are available for an individual. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just searching for the Meetings, Expositions, Events & Conventions: An Introduction to the Industry (3rd Edition) when you necessary it?
