Quality of Life in Child and Adolescent Illness: Concepts, Methods, and Findings

Hans Koot

Quality of Life in Child and Adolescent Illness: Concepts, Methods, and Findings Hans Koot

This book introduces the reader to the emerging field of quality of life assessment and provides a comprehensive overview of the conceptual and methodological issues concerning quality of life in child and adolescent illness. Particular emphasis is provided on current efforts to measure the impact of specific chronic conditions on different domains of child functioning. Future directions are outlined for the development of appropriate instruments for measuring quality of life in children and adolescents.

Quality of Life in Child and Adolescent Illness is intended for psychologists, paediatricians, paediatric nurses, child psychiatrists, public health professionals, researchers and other interested readers from the undergraduate to the working professional.

From reader reviews:

Carol McElroy:

What do you concentrate on book? It is just for students since they're still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby for each and every other. Don't to be obligated someone or something that they don't need do that. You must know how great along with important the book Quality of Life in Child and Adolescent Illness: Concepts, Methods, and Findings. All type of book would you see on many methods. You can look for the internet solutions or other social media.

Kimberly Gomez:

Reading a publication tends to be new life style with this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this Quality of Life in Child and Adolescent Illness: Concepts, Methods, and Findings.

Robert Knight:
