If you're a fan of the Twilight Saga, maybe you've always wondered-- why aren't the songs in the soundtrack in the order they appear in the movies?

"Twilight Soundtrack Song List" solves this problem. Created by obsessive fans of Twilight + music, this guide breaks down the exact order of songs in each film, including songs not included in the soundtrack. This is the Twilight Soundtrack Songs in Order master list you have been looking for!

Included in the guide:

The song list for Twilight, with information about the bands, the "master" song list in order with the actual time-stamps of where the songs appear in the movie, information about the score, and the combined list of score + soundtrack that will allow you to basically re-create the Twilight movie moment by moment in playlist form so that you can take it with you wherever you go. We've also included information about Stephenie Meyer's personal playlist, plus info about similar music that you'll like if you love the songs from the Twilight soundtrack. This is not just a list of songs from Twilight-- it is a complete guide and discussion of the music in the movie and what each song means.

If you've been looking for the ultimate Twilight soundtrack song list, look no further. This list represents hours and hours of research and is a must-have for fans of the Twilight saga.

Also included (as a bonus): the New Moon soundtrack list, a similarly obsessive breakdown of all the music in the second movie in the Twilight series.
