Understanding Health Policy

Thomas S. Bodenheimer, Kevin Grumbach

Understanding Health Policy Thomas S. Bodenheimer, Kevin Grumbach

Already the number one text on health policy and rapidly becoming a classic, *Understanding Health Policy: A Clinical Approach 3E* covers such fundamental topics as cost containment, health insurance, managed care, and physician and hospital payment. Extensive case histories, drawn from the authors' actual practice, bring to life important policy issues by pinpointing individual encounters within the healthcare system.

New to this Edition

- * More information on 2-tier model of reimbursement
- * Greater emphasis on defined contribution approach to controlling costs
- * Includes comparative information on health care policy in Canada, the UK, and Germany
- * "Questions & Discussion Topics" provided for each chapter to stimulate classroom discussion

Please consider this important new edition for your course. Your students will gain an engaging text, that according to a review by the *Journal of Health, Politics, Policy, and Law* of the prior edition, "goes a long way toward helping readers understand how the health care system has worked in the past, how it is changing, and how it might work under different scenarios in the future."

From reader reviews:

Nancy Smith:

As people who live in typically the modest era should be update about what going on or info even knowledge to make these keep up with the era that is always change and advance. Some of you maybe may update themselves by studying books. It is a good choice to suit your needs but the problems coming to anyone is you don't know which one you should start with. This Understanding Health Policy is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Brent Abramson:

Precisely why? Because this Understanding Health Policy is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

Henry Brown:

Understanding Health Policy can be one of your starter books that are good idea. Many of us recommend that straight away because this publication has good vocabulary which could increase your knowledge in language, easy to understand, bit entertaining however delivering the information. The copy writer giving his/her effort to place every word into pleasure arrangement in writing Understanding Health Policy but doesn't forget the main stage, giving the reader the hottest and based confirm resource facts that maybe you can be among it. This great information can drawn you into fresh stage of crucial thinking.

Daniel Nelson:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from the book. Book is composed or printed or created from each source that will filled update of news. Within this modern era like now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just seeking the Understanding Health Policy when you needed it?
