**Fever** Lauren DeStefano

**The *New York Times* bestselling sequel to *Wither* reveals a world as captivating—and as treacherous—as the one Rhine left behind.**

Rhine and Gabriel have escaped the mansion, but they're still in danger. Outside, they find a world even more disquieting than the one they ran away from. Determined to get to Manhattan and find Rhine's twin brother, Rowan, the two press forward, amid threats of being captured again...or worse.

The road they are on is long and perilous—and in a world where young women only live to age twenty and men die at age twenty-five, time is precious. In this sequel to Lauren DeStefano's harrowing *Wither*, Rhine must decide if freedom is worth the price—now that she has more to lose than ever.

### From reader reviews:

#### **Ana Lopez:**

This Fever book is just not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is actually information inside this publication incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This particular Fever without we recognize teach the one who examining it become critical in pondering and analyzing. Don't possibly be worry Fever can bring when you are and not make your case space or bookshelves' turn out to be full because you can have it within your lovely laptop even telephone. This Fever having very good arrangement in word as well as layout, so you will not feel uninterested in reading.

#### **Erica Clark:**

The experience that you get from Fever may be the more deep you digging the information that hide within the words the more you get interested in reading it. It does not mean that this book is hard to comprehend but Fever giving you joy feeling of reading. The writer conveys their point in a number of way that can be understood simply by anyone who read the item because the author of this e-book is well-known enough. This specific book also makes your own personal vocabulary increase well. Therefore it is easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having this particular Fever instantly.

#### **Brenda Carey:**

Precisely why? Because this Fever is an unordinary book that the inside of the book waiting for you to snap that but latter it will zap you with the secret this inside. Reading this book adjacent to it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the reserve store hurriedly.

#### **James Edgar:**

This Fever is great guide for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but difficult core information with splendid delivering sentences. Having Fever in your hand like having the world in your arm, details in it is not ridiculous a single. We can say that no e-book that offer you world throughout ten or fifteen minute right but this reserve already do that. So , this is good reading book. Hey Mr. and Mrs. occupied do you still doubt in which?
