Preaching Mark in Two Voices Brian K. Blount, Gary W. Charles

Brian Blount and Gary Charles team up to introduce us anew to Mark's Gospel. Reinterpreting Mark through sermons preached out of very different socio-cultural contexts, Blount draws parallels between Mark's message and the African American church's heritage of slavery and oppression while Charles wrestles with making the Gospel relevant to well-educated white suburbanites. Each chapter begins with an exegetical study and sermon by one author. Then, the other preacher responds from his own context, offering a different view of the text.
