Eduardo Bonilla-Silva

Eduardo Bonilla-Silva's acclaimed *Racism without Racists* documents how, beneath our contemporary conversation about race, lies a full-blown arsenal of arguments, phrases, and stories that whites use to account for—and ultimately justify—racial inequalities. This provocative book explodes the belief that America is now a color-blind society.

The fourth edition adds a chapter on what Bonilla-Silva calls "the new racism," which provides the essential foundation to explore issues of race and ethnicity in more depth. This edition also updates Bonilla-Silva's assessment of race in America after President Barack Obama's re-election. Obama's presidency, Bonilla-Silva argues, does not represent a sea change in race relations, but rather embodies disturbing racial trends of the past.

In this fourth edition, *Racism without Racists* will continue to challenge readers and stimulate discussion about the state of race in America today.
