**The Star, the Cross, and the Crescent: Religions and Conflicts in Francophone Literature from the Arab World (After the Empire: The Francophone World and Postcolonial France)** Carine Bourget

The Star, the Cross, and the Crescent analyzes fiction, films, comics, autobiographical narratives, and essays by Francophone Arab writers whose Christian (Accad, Antaki, Chédid, Maalouf), Jewish (Albou, Cixous, El Maleh, Memmi), Muslim (Bachi, Benaïssa, Benguigui, Ben Jelloun, Boudjedra, Boudjellal, Meddeb, Mimouni), and secular (Sebbar) backgrounds are emblematic of the diversity of the Francophone Arab world. It examines how these writers represent the intertwining of religion and politics against the backdrop of the current international political context and the resurgence of religion. Focusing on a series of disputes commonly framed in religious terms (with Islam as the common denominator for all: the Arab-Israeli conflict, the Lebanese and the Algerian civil wars, the affair of the Muslim headscarf in France, and 9/11), this book questions the effectiveness of the Francophone studies model in providing insights into the complexity of the Islamic Revival. The study concludes by unpacking the influence of politics on the translation of these works in the U.S. It brings heightened awareness to the modalities according to which a creative work can serve as a cultural mediator.

**From reader reviews:**

**Megan Rivera:**

What do you with regards to book? It is not important to you? Or just adding material when you really need something to explain what yours problem? How about your extra time? Or are you busy particular person? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Every individual has many questions above. They should answer that question since just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this kind of The Star, the Cross, and the Crescent: Religions and Conflicts in Francophone Literature from the Arab World (After the Empire: The Francophone World and Postcolonial France) to read.

**Frances Hayes:**

Nowadays reading books be than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that will improve your knowledge and information. The information you get based on what kind of e-book you read, if you want attract knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining such as comic or novel. Often the The Star, the Cross, and the Crescent: Religions and Conflicts in Francophone Literature from the Arab World (After the Empire: The Francophone World and Postcolonial France) is kind of publication which is giving the reader unpredictable experience.

**Noel Klein:**

Information is provisions for individuals to get better life, information these days can get by anyone with everywhere. The information can be a know-how or any news even a huge concern. What people must be consider any time those information which is within the former life are hard to be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Star, the Cross, and the Crescent: Religions and Conflicts in Francophone Literature from the Arab World (After the Empire: The Francophone World and Postcolonial France) as the daily resource information.

**Steve Domingo:**

Exactly why? Because this The Star, the Cross, and the Crescent: Religions and Conflicts in Francophone Literature from the Arab World (After the Empire: The Francophone World and Postcolonial France) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such

incredible way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your expertise and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.
