Crazy Rich: Power, Scandal, and Tragedy Inside the Johnson & Johnson Dynasty

Jerry Oppenheimer

Crazy Rich: Power, Scandal, and Tragedy Inside the Johnson & Johnson Dynasty Jerry Oppenheimer
From the founders of the international health-care behemoth Johnson & Johnson in the late 1800s to the contemporary Johnsons of today, such as billionaire New York Jets owner Robert Wood "Woody" Johnson IV, all is revealed in this scrupulously researched, unauthorized biography by *New York Times* bestselling author Jerry Oppenheimer. Often compared to the Kennedy clan because of the tragedies and scandals that had befallen both wealthy and powerful families, *Crazy Rich*, based on scores of exclusive, candid, on-the-record interviews, reveals how the dynasty's vast fortune was both intoxicating and toxic through the generations of a family that gave the world Band-Aids and Baby Oil. At the same time, they've been termed perhaps the most dysfunctional family in the fortune 500. Oppenheimer is the author of biographies of the Kennedys, the Clintons, the Hiltons and Martha Stewart, among other American icons.
