**Exploring Masculinities: Identity, Inequality, Continuity and Change** C.J. Pascoe, Tristan Bridges  
*Exploring Masculinities: Identity, Inequality, Continuity, and Change* is a comprehensive and contemporary reader for the growing field of men's and masculinities studies. It takes a conceptual approach by covering the wide range of scholarship being done on masculinities beyond the model of hegemonic masculinity. C.J. Pascoe and Tristan Bridges extend the boundaries of the field and provide a new framework for understanding masculinities studies. Rather than taking a topics-based approach to masculinity, *Exploring Masculinities* offers an innovative conceptual approach that enables students to study a given phenomenon from a variety of perspectives. It divides up the field in ways that provide accessible introductions to complex debates and key intra- and interdisciplinary distinctions. The book provides a portable set of conceptual tools on which scholars and students can rely to analyze masculinities in different contexts, time periods, and embodiments.
