I Was Here

Gayle Forman

I Was Here Gayle Forman

From the #1 *New York Times* bestselling author of *If I Stay* comes "a heartbreaking novel about coping with loss" (*People*).

When her best friend, Meg, commits suicide by drinking a bottle of industrial-strength cleaner alone in a motel room, Cody is understandably shocked and devastated. She and Meg shared everything—so how did she miss the signs of Meg's depression? But when Cody travels to Meg's college town to pack up the belongings left behind, she discovers that there's a lot that Meg never told her. About her old roommates, the sort of people Cody never would have met in her dead-end small town in Washington. About Ben McAllister, the boy with a guitar and a sneer, and some secrets of his own. And about an encrypted computer file that Cody can't open—until she does, and suddenly everything Cody thought she knew about her best friend's death gets thrown into question.

"*I Was Here* is a pitch-perfect blend of mystery, tragedy, and romance. Gayle Forman has given us an unflinchingly honest portrait of the bravery that it takes to live after devastating loss."

—**Stephen Chbosky, author of the #1 *New York Times* bestselling *The Perks of Being a Wallflower***

From reader reviews:

Trey Olivas:

Why don't make it to become your habit? Right now, try to ready your time to do the important action, like looking for your favorite publication and reading a e-book. Beside you can solve your condition; you can add your knowledge by the e-book entitled I Was Here. Try to make the book I Was Here as your pal. It means that it can for being your friend when you sense alone and beside that course make you smarter than previously. Yeah, it is very fortunated to suit your needs. The book makes you much more confidence because you can know almost everything by the book. So , we should make new experience in addition to knowledge with this book.

Jack Lumpkin:

Have you spare time for any day? What do you do when you have much more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a go walking, shopping, or went to the actual Mall. How about open or perhaps read a book eligible I Was Here? Maybe it is being best activity for you. You realize beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with its opinion or you have various other opinion?

Charles Ginter:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that concern above. Every person has several personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book I Was Here. All type of book could you see on many resources. You can look for the internet sources or other social media.

Bennie Gale:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this I Was Here can make you experience more interested to read.
