William Lanen, Shannon Anderson, Michael Maher

**Loose-Leaf for Fundamentals of Cost Accounting** William Lanen, Shannon Anderson, Michael Maher *Fundamentals of Cost Accounting* provides a direct, realistic, and efficient way to learn cost accounting, integrated with new technology learning tools. *Fundamentals* is short (approximately 700 pages) making it easy to cover in one semester. The authors have kept the text concise by focusing on the key concepts students need to master. *The Decision* opening vignettes and *Business Application* boxes show realistic applications of these concepts throughout. All chapters conclude with a *Debrief* that links the topics in the chapter to the decision problem faced by the manager in the opening vignette. Comprehensive end-of-chapter material provides students with all the practice they need to fully learn each concept.

**McGraw-Hill Connect Accounting Plus** provides students every advantage as they strive to understand the key concepts of cost accounting and its role in business. *Connect Accounting Plus* offers a complete digital solution with a robust online learning and homework management system, an integrated media-rich eBook, assignable end-of-chapter material, algorithmic functionality, and reporting capabilities.

Contained within *Connect Accounting* is McGraw-Hill's adaptive learning system, **LearnSmart**, which is designed to help students learn faster, study more efficiently, and retain more knowledge for greater success.
