Them: Adventures with Extremists

Jon Ronson

Them: Adventures with Extremists Jon Ronson

From the bestselling author of *The Psychopath Test: A Journey Through the Madness Industry* and *So You've Been Publicly Shamed*.

A wide variety of extremist groups -- Islamic fundamentalists, neo-Nazis -- share the oddly similar belief that a tiny shadowy elite rule the world from a secret room. In *Them*, journalist Jon Ronson has joined the extremists to track down the fabled secret room.

As a journalist and a Jew, Ronson was often considered one of "Them" but he had no idea if their meetings actually took place. Was he just not invited? *Them* takes us across three continents and into the secret room. Along the way he meets Omar Bakri Mohammed, considered one of the most dangerous men in Great Britain, PR-savvy Ku Klux Klan Grand Wizard Thom Robb, and the survivors of Ruby Ridge. He is chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp. In the forests of northern California he even witnesses CEOs and leading politicians -- like Dick Cheney and George Bush -- undertake a bizarre owl ritual.

Ronson's investigations, by turns creepy and comical, reveal some alarming things about the looking-glass world of "us" and "them." *Them* is a deep and fascinating look at the lives and minds of extremists. Are the extremists onto something? Or is Jon Ronson becoming one of them?
