The Western World is divided between two opposing worldviews: that of the relativistic M'n-M culture (the culture of materialism and meaningless) and that deriving from the divine narrative preserved by the Hebrew and Greek Scriptures. A personal journey in living, this book contrasts these two ways of thinking, shows the way out of the human dilemmas common today, and encourages us to take up the challenge to Walk a Straight Path in a Crooked World, the path leading to happiness and a hope that lasts longer than a lifetime.
