Lewis Carroll

Michael Foreman's Alice's Adventures in Wonderland Lewis Carroll

One of the greatest achievements in children's literature, Carroll's masterpiece introduces children to a whole world of humor, fun, and invention

Featuring a bevy of characters and locations, Alice's world introduces young readers to the Mad Hatter, the White Rabbit, the evil Queen of Hearts, the tea party and, of course, the rabbit hole that starts it all. Michael Foreman's watercolors beautifully capture the world of Wonderland in all of its glory.
