**The Adventure Continues....**

Rule One of TimeJumping was broken, but luckily disaster has been averted (at least for now), and Jules, Gen, and Theo are back. Their first adventure had them whisking through Time, talking to coats, and just managing to save Theo's life -- but that was just a warm-up. In the second chapter of the mind-bending TimeJumpers series, Jules and Gen (finally) go on a date, Theo turns out to be the biggest celebrity anyone in the year Fourteen Billion and Seventy-Three has ever seen, and we meet a peculiar and very irritating old man who has the strange idea that the entire history of the world is about to be overturned -- and somehow Jules and Gen are involved. And that's just the beginning. There are sinister forces at work, and Rule One is not just going to be broken, it's going to be smashed apart.
