"I don't always understand what he needs or wants from me." Most wives want a heart-to-heart connection with their husbands. But men often communicate their needs in ways that seem strange to women. How to bridge the gap?

Straight from a veteran dad and husband come these insightful, unexpected, and occasionally offbeat ideas. Bestselling author Jay Payleitner digs deep to give practical insight into how a woman can

- see the ways her husband *does* want to connect...which may be different than what she expects
- encourage him?not overwhelm him?with her words
- understand why sex is such a big deal
- make space for him to step up and participate in family life
- be alert to his "hero moments" and respect and appreciate him

A husband does want to be close to his wife. Here are great steps to strengthening a marriage by making room for that closeness to happen.
