PURPOSE of Dreams and Visions (from Roger)

The purpose and intent of this book is actually very simple. It is to perhaps convince a few more people to follow the living Prophet a little more closely, and to prepare themselves and their families for the events which lie in the (near?) future by preparing Spiritually (getting temple recommends and using them often), Physically (obtain a minimum one year supply of food, clothing, shelter and other necessities), and Mentally. And as part of this preparation to perhaps come to understand some of the events that they will likely have to pass through. Elder Oaks recently in the April 2004 General Conference encouraged all members of the Church throughout the world to "accelerate our own preparation and try to influence the preparation of those around us." This is a small effort to comply with that counsel.
