I was reading this book, *The Master Key System* by Charles F. Haanel, a turn of the century 'New Thought' writer. What's now a complete book, in 1916, it was broken up into twenty-four subsets or periodicals. It has action steps at the end of each subset on how to unlock the law of attraction and change your life forever.

Approximately two years after reading a passage from Frederick Elias Andrews in *The Master Key System*, I set out to find seven like-minded writing partners who were interested in exploring these ideas of guiding principles to becoming happy in their own life. Together, we are writing eight books about our collective wisdom on the affirmations; "I am whole, perfect, strong, powerful, loving, harmonious, happy, and healthy."

We call our selves The Wisdom Buffet Writers. Welcome to our first book: *Happiness Chronicles – Short Stories and Recipes for a Happy Life*.
