Tannim is a human mage with a taste for fast cars and loud music. Among his friends are Ross Canfield, a good old Southern boy who just happens to be dead, and Keighvin, an elf lord who has been targeted for termination by a horde of evil elves, with the assistance of a vindictive banshee. Caught in the middle are three runaway kids in serious trouble, used as bait to trap Tannim and Keighvin. And if that wasn't enough, Tannim's predilection for dangerous women has just gone from dangerous to lethal. He thinks he's found Ms Right, but there are three tiny problems: 1) Her father's a dragon. 2) She's not human - though she definitely is a fox. 3) She seems to want to kill him ...Tannim's magery is sometimes erratic - but his talent for getting himself into trouble is perfect every time!
